CITY COUNCIL

AGENDA REPORT

---

TO: Honorable Mayor and Members of the City Council

VIA: James DeStefano, City Manager

TITLE: **ADOPT RESOLUTION 2015-XX ORDERING THE CITY ENGINEER TO PREPARE AND TO FILE A REPORT RELATED TO MAINTENANCE OF OPEN SPACE IN THE CITY OF DIAMOND BAR LANDSCAPING ASSESSMENT DISTRICT NO. 41 AND ANY ASSESSMENT THEREON FOR FISCAL YEAR 2015-2016.**

**RECOMMENDATION:**

Adopt.

**FINANCIAL IMPACT:**

For Fiscal Year 2014-2015, a total budget of \$4,500 has been approved for the assessment engineering services needed for District No. 41.

**BACKGROUND/DISCUSSION:**

The City has an annual program for the maintenance of landscaping as well as open space improvements, and intends to continue said program by special assessments upon lands within the City. Funds must be provided to enable each District to continue their operation during the 2015-2016 Fiscal Year. Of the City's three Districts, District 41 encompasses the southwesterly part of the City as illustrated on Exhibit "A-3" Map.

As part of this program update, the City must undergo a three step process. First, the City initiates the process by adopting resolutions ordering the City Engineer to prepare and file an engineer's report for each district. Second, the report is finalized and presented to the City Council who, in turn, adopts resolutions of intention that are set for a Public Hearing. Lastly, a Public Hearing is held at a City Council meeting where all three Assessment Districts are approved and confirmed, resulting in the adoption of a resolution confirming the levy of assessments. Throughout the entire process, all

proceedings for the maintenance of public improvements will be pursuant to the provisions of the Landscape and Lighting Act of 1972 of Part 2 of Division 15 of the Streets and Highways Code of the State of California.
