## Community Hero Nomination Form

Community Heroes work tirelessly to make a difference. They volunteer at our local hospitals, schools, churches and more. Consistently, they selflessly devote their time and efforts, going above and beyond without thought of reward or recognition. Jack Harper for example, has gone above and behind as a teacher and football coach and works with Relay for Life, Pennies for Patients and the Red Cross Blood Dr.

The L.A. County Fair seeks to honor very special individuals – adult, young adult (under the age of 18) and senior – with a Community Hero presentation to take place on your city's Day at the Fair!

This is your chance to nominate a diligent and deserving individual whom you feel is an unsung hero and an asset to the community, quietly affecting change and contributing to the quality of life in your city! Selected heroes will be honored throughout the day with a reception, onstage presentation and a parade.

These true-life heroes can be found throughout the community and are wonderful examples of making your community a better place to live.
