**RE: Supplement to the Industry Business Center Environmental Impact Report (SCH# 2003121086) for a Revised Plan of Development**

Dear Mr. DeStefano:

The City of Industry has received your request to extend the public review and comment period on the Supplemental Environmental Impact Report (SEIR) for the Industry Business Center by an additional 30 days.

As you are aware, the City has provided for a 45-day public review and comment period on the SEIR which extends from September 3, 2008 - October 17, 2008. This 45-day period satisfies the requirements of the California Environmental Quality Act (CEQA) Guidelines. Since no extension of this review period has been authorized by the City Council, the review period will remain unchanged.

Please forward any written comments that the City of Diamond Bar may have on the SEIR in a timely manner.

Sincerely,

Mike Kissell  
Planning Director
