Diamond Bar celebrates Earth Day!

What is Earth Day? Earth Day is a day intended to inspire awareness and appreciation for the Earth's natural environment. This year the City of Diamond Bar invites residents to celebrate Earth Day on Saturday, April 22. This event will take place from 9am-2pm at the AQMD parking lot located at 21865 Copley Drive.

The City has worked with partners to include free services for residents attending this year's Earth Day Celebration. Residents will be able to take free garden mulch for their home garden, courtesy of Waste Management. There will be free paper shredding services, textile recycling, free kids activities, green booths, electric vehicle display and a Smart Gardening Workshop.

The free Smart Gardening Workshop will be held from 9:30 am-11:00 am. The workshop discussion will include backyard composting and worm composting, water-wise gardening, and grasscycling. Compost bins will be available for purchase for workshop attendees, cash or check only.

If you have any questions regarding Earth Day please contact us at 909.839.7015 or visit the City's webpage at:
