Free bulky item pick up

The City of Diamond Bar offers residents a free residential bulky item collection program. Residents may choose from a variety of free services designed to assist in the removal of difficult, and sometimes hazardous items that every household accumulates.

Oversized or overweight household articles such as stoves, water heaters, rugs, washing machines, mattresses and other furniture, as well as electronic waste are some of the commonly requested items. Residents are allowed up to four (4) free pick-ups annually.

The bulky item collection service is available to single family homes and multifamily residential units. Pick-ups must be scheduled in advance. Contact Waste Management at 909.599.1274, or Valley Vista at 800.442.6454 to schedule a pick up.

HHW collection event

A typical home can contain an array of household hazardous products for cleaning, painting, beautifying, lubricating and disinfecting the house, yard, workshop and garage. The Waste Management At-Your-Door Special Collection program gives Diamond Bar residents a convenient and free way to dispose of unwanted household chemicals. To schedule a pickup call 1.800.449.7587, or online at www.wmatyourdoor.com.

Residents may also utilize the mobile, one-day collection event throughout Los Angeles County to properly dispose of HHW and electronic waste free of charge. The next collection event is scheduled for Saturday, February 25, 2017 from 9:00 am-3:00 pm at the 1300 block of Bridge Gate Drive, Diamond Bar.

For more information, call 1.888.CleanLA or click here for additional information on upcoming HHW events in your area: <http://ladpw.org/general/enotifyCalendar/Calendar.aspx>.

Special holiday collections

For two weeks after Christmas Day, Waste Management customers will be able to recycle their holiday tree at the curb for free. To prepare your tree for pick up, remove the stand, as well as decorations, tinsel, garland, and ornaments and then simply place the bare tree curbside by your carts on your regularly scheduled collection day.

Also during the two weeks after Christmas, Waste Management will pick up at no additional cost, up to three large bags, boxes, or barrels of refuse. For more information contact Waste Management at 800.266.7551 or visit their website at www.diamondbarwm.com.

If you have any questions on the City's environmental services, please contact us at 909.839.7015.
