LA County School Gardening Program

Teach kids how to preserve the environment and conserve natural resources by starting a garden at your child's school with LA County's assistance. The County provides free raised beds, plants, interactive worm composting demonstrations, tools, and seeds.

The School Garden Program provides an opportunity for students and teachers to work together, learn how to grow their own food, get exercise, and eat healthy. The gardens are an outside classroom where skills in math, science, art, health, physical education, and social studies come together for a fun learning experience. For a free consultation send an email to bjones@dpw.lacounty.gov.

At Your Door

Waste Management's At Your Door Special Collection is a curbside service that makes it easy for Diamond Bar residents to recycle and dispose of their home generated special materials. This is a free program to collect hard-to-recycle items that are not allowed in the regular trash bin.

Acceptable materials include: household chemicals, paint products, batteries, and electronics.

There are three easy ways to schedule a collection:

1. Online: www.wmatmydoor.com
2. Phone: 1.800.449.7587 (Monday-Friday 5:00 a.m.-5:00 p.m.)
3. Email: AtYourdoor@wm.com

Eco Expo November 14

Mark your calendars, the City's annual Eco Expo event is taking place Saturday, November 14, 2015 from 9:00 a.m. to 1:00 p.m. at the AQMD parking lot located at 21865 Copley Drive in Diamond Bar. This event is free and open to all Diamond Bar residents.

The Eco Expo gives residents a variety of free recycling services including paper shredding of sensitive documents, recycling of textiles, disposal of electronic waste, and take home mulch for gardening. For more information, call Diamond Bar City Hall at 909.839.7015 or send an email to greendb@diamondbarca.gov.
