## Safe Sharps Disposal

The best way to dispose of sharps waste is to use State-approved sharps containers. Residents may request home delivery of a sharps container to safely dispose of used needles, syringes, or lancets. When your sharps container is about 3/4 full, seal it securely and take the filled sharps containers to a designated collection site or return via USPS using the postage paid mail back feature. To request a sharps container contact Waste Management at 1.800.449.7587 or Valley Vista at 800.442-6454.

There are three collection boxes located outside of the Diamond Bar/Walnut Sheriff's Station entrance, for filled sharps containers, unused or expired prescriptions and medications. The Diamond Bar/Walnut Sheriff Station is located at 21695 Valley Blvd., Walnut, CA. 91789.

### REMINDERS FOR SHARPS AND MEDICATIONS

DO NOT Flush your sharps waste or medications down the toilet or drain.  
DO NOT Place your sharps waste in the trash, green waste, or recycling bin.  
DO NOT Put needles into used plastic milk jugs, bleach bottles, or soda bottles

## At Your Door

Waste Management's At Your Door Special Collection is a curbside service that makes it easy for Diamond Bar residents to recycle and dispose of their home generated special materials. This is a free program to collect hard-to-recycle items that are not allowed in the regular trash bin.

Acceptable materials include: household chemicals, paint products, batteries, and electronics.

There are three easy ways to schedule a collection:

1. Online: [www.wmatmydoor.com](http://www.wmatmydoor.com)
2. Phone: 1.800.449.7587 (Monday-Friday 5:00 a.m.-5:00 p.m.)
