Recycling Used Motor Oil Made Easy

Recycling used motor oil is easy! Diamond Bar residents can recycle the oil from cars, trucks, motorcycles, boats, or recreational vehicles. It is estimated that more than 30 percent of motorists change their own oil, generating between 43 and 62 million gallons of used oil annually according to a U.S. Environmental Protection Agency.

Most major auto-parts stores have recognized the importance of being the places where do-it-yourselfers can recycle used oil. There are three approved used oil recycling centers in Diamond Bar where residents can recycle their used motor oil for free:

- 1). Autozone 303 S. Diamond Bar Blvd.
- 2). Firestone Store 1150 S. Grand
- 3). Jiffy Lube 2845 S. Diamond Bar Blvd.

To assist residents in recycling used motor oil, the City of Diamond Bar distributes used oil recycling kits (pictured above). Residents can pick up recycling kits at City Hall Monday through Friday from 7:30am-5:30p.m. Additionally, in celebration of America Recycles Day, residents may pick up a free used motor oil recycling kit at the Eco Expo on Saturday, November 14 from 9am-1pm located at 21810 Copley Drive. For more information contact Environmental Services at 909.839.7015.

Eco Expo November 14

Mark your calendars! The City's annual Eco Expo event is taking place Saturday, November 14, 2015 from 9:00 a.m. to 1:00 p.m. at the AQMD parking lot located at 21865 Copley Drive in Diamond Bar. This event is free and open to all Diamond Bar residents.

The Eco Expo gives residents a variety of free recycling services including paper shredding of sensitive documents, recycling of textiles, disposal of electronic waste, and take home mulch for gardening. For more information, call Diamond Bar City Hall at 909.839.7015 or send an email to greendb@diamondbarca.gov.
