

Available Containers

CARTS:

Valley Vista Services can provide you one or multiple 96 gallon recycling, plastic automated, containers based on your sites generation of organics. These carts may be picked-up once or multiple times per week as deemed necessary.

More Services:

Looking for another type of collection service?

We have programs for construction and demolition debris, e-waste, light bulbs and more. We offer wheeled carts and dumpsters in a wide variety of sizes.

We are here to serve!

Valley Vista Services experts can help you assess your waste stream, make suggestions regarding how to reduce waste and increase recycling, and make sure that appropriate collection service is arranged. We will also provide helpful training for inside your business.
