PRR 1	For Parks & Recreation participation fees, which include, but are not limited to elective activities such as athletics, excursions, and special events, activities, and programs, the City Manager shall have the authority to set fees to recover up to the full direct costs of the specific activity, program, or event. Direct costs include those related to City personnel, supplies, services, admissions, transportation, etc. Using the above as a guideline, in those cases where the fee to be charged is nominal (e.g. \$10), the City Manager may determine not to require a fee for the elective activity if the City Manager determines the administrative burden in collecting the fee outweighs the benefit of the revenue to be derived from collecting the fee. PRR 2	Activity Cancellation Fee	\$15.00 Per Activity
PRR 3	Contract Class Admin. Fee	\$10.00 Per Class
PRR 4	Non-Resident Fee (NEW)	\$5.00 Per Participant

*All City fees are subject to an annual Consumer Price Index (CPI) increase effective July 1, 2018. The CPI will be calculated using the March to March rates of the federal Consumer Price Index (CPI) for Wage Earners and Clerical Workers in Los Angeles/Orange Counties.

(RFD) Deposit based fees will be charged at the fully allocated hourly rates for all personnel involved plus any outside costs, with any unused portion of a deposit based fee being refunded to the applicant at the conclusion of the program or event. In certain circumstances where staff, repair, or replacement costs are higher than the available deposit, the applicant will be required to submit additional funds.
