

PUBLIC SAFETY FAST FACTS

\$7.7 M Annual Cost

Since incorporation, the Diamond Bar City Council has made public safety its top priority. This commitment has resulted in Diamond Bar's standing as one of the safest communities in the San Gabriel Valley. Annual public safety expenditures include:

Law Enforcement

Crossing Guards

Animal Control

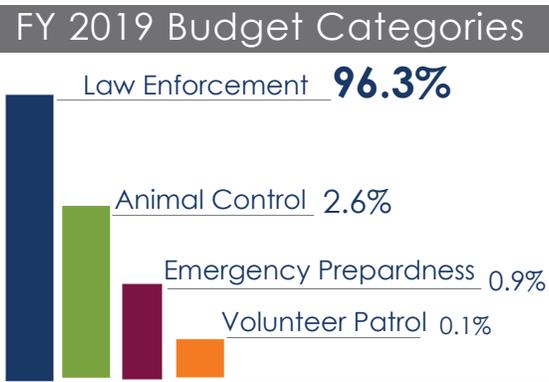

Volunteer Patrol

Emergency Preparedness

17 crossing guards help Diamond Bar students walk safely to and from their elementary and middle schools each day.

The law enforcement contract with L.A. County Sheriff's has increased about 5.2% annually since FY 2015-16

In 2019, 24 Diamond Bar Volunteers on Patrol (VOPs) provided the community with

8,894 hours of service conducting vacation and business security checks, graffiti watch and other duties - all together valued at

\$226,174

In 2019, burglary and larceny incidents accounted for

89.7% of Part I Crime in Diamond Bar

Diamond Bar is the

8th safest city in California, according to the 2018 ranking by Safewise

The contract model allows the City to develop a customized policing program that accounts for unique community characteristics and priorities at a **cost-effective rate** and **without incurring the significant indebtedness and long-term liability** required to finance a municipal police department.

In 2019, residential burglaries in Diamond Bar decreased by

37.2% when compared to the previous year
