Part C: NPDES Permit Coverage for Industrial Facilities

If you selected "yes" in Part B above

The business facility needs coverage under the Statewide General NPDES Permit for Stormwater Discharges Associated with Industrial Activities (IGP)

If the industrial facility is covered under the IGP, list the facility's Waste Discharge ID (WDID)

NPDES WDID #. For NEC and NONA facilities, list the NEC # or NONA #

If the industrial facility is not yet covered under the IGP, your business license will not be approved until your facility is covered under the IGP.

Information on receiving coverage under the IGP for industrial facilities

IGP coverage is obtained with the State Water Board and is required before starting industrial operations. If industrial activities and materials are not exposed to stormwater, the facility may qualify for No-Exposure Certification (NEC). For information and enrollment instructions for the IGP and NEC:
